

BUSINESS SERVICES

MACK & Co.  
CHARTERED ACCOUNTANTS

— GROWTH SUCCESS WEALTH —

## CAPABILITY

At Mack & Co we provide practical solutions to maximise your business growth opportunities, optimise revenue streams and build a sustainable competitive advantage for your business.

### **Our team can provide expert advice and solutions in the following areas:**

- Strategic business planning and mentoring.
- Valuations of businesses or interests in businesses. Feasibility studies for business expansion or new ventures.
- Advice and assistance in the preparation of business plans and loan applications including negotiations with the proposed lender.
- Preparation of financial reports and analysis of business performance.
- Preparation and review of budgets and financial projections.
- Computer accounting software advice and installation. This includes systems review and advice on appropriate packages and training.
- General bookkeeping and accounting services.
- Provision of registered office facilities, maintenance of statutory records and lodgements with ASIC.
- Preparation of periodic and annual taxation obligations.

## DIFFERENTIATION

The Business Services team focus on our clients' businesses and portfolios to assist them in growing, being successful and creating wealth. Our service level ensures that our clients are delivered a partner-led team and have access to senior management at all times.

The allocation of dedicated trained professionals to this specialist area means we can provide timely cost effective and relevant strategic advice and support when the client requires it.

## APPROACH

Our aim is to gain a fundamental understanding of your business and the way you work. With this in mind, our Business Services team will meet with you to discuss your business and financial needs and determine how we can best assist you.

We speak in a language that you understand, so that you are clear on the outcomes of our advice. We take a holistic approach to strategic business advice and services, ensuring that all factors are considered to achieve the best outcome for you and your business.
